

AMENDMENT

 **69** 

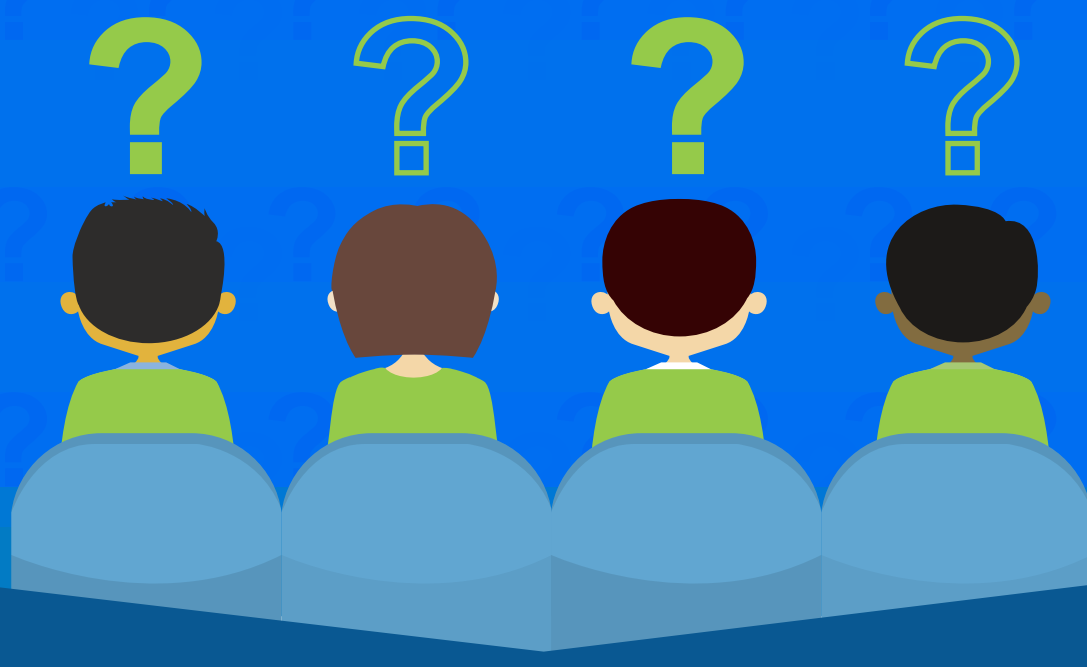

**IS WRONG FOR COLORADO.
AND HERE'S WHY**

TOO MANY UNANSWERED QUESTIONS

If Amendment 69 passes:

- Every Coloradan will lose their current plan – which plan types will replace their current plans? **TBD**
- With Amendment 69, there will be no choice of carriers or plans, the unknowns are just too many to count. Where does that leave your family's healthcare? **TBD**
- Who will make all of these decisions for millions of Coloradans? A 21 person unelected board of trustees. Who will be on this board? **TBD**

THE BOARD WILL RUN COLORADOCARE

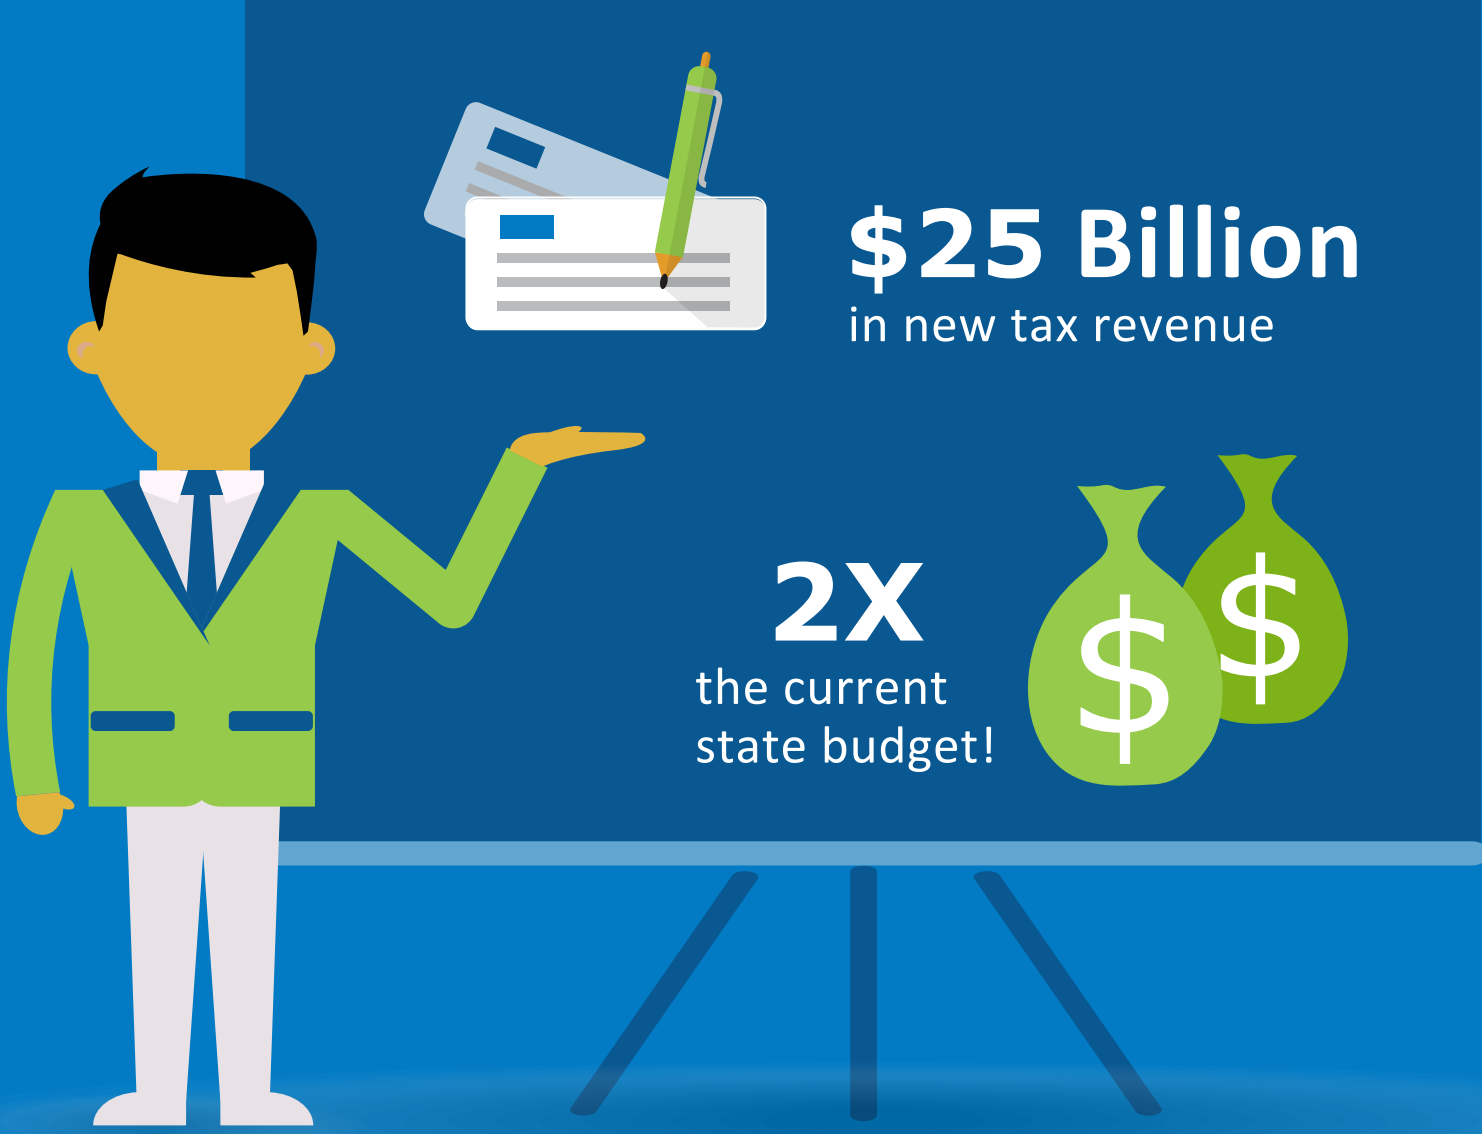

- **NO** requirement that these trustees have any experience in health care, insurance or anything else
- **NO** requirements for ethnic, gender and age diversity, or balance in political affiliation
- **NO** authority can contravene a decision by the Trustees
- Can **RAISE TAXES** annually by a vote of the members

NEW PAYROLL TAXES MEANS MORE MONEY OUT OF YOUR POCKET!

- Employers will pay **6.67%** on ALL payroll.
- Employees **3.33%** on ALL income.
- Totaling **10%** tax on ALL wages and earnings.

HISTORIC TAX INCREASE

Once approved, Amendment 69 will be **Cemented in the state constitution**

- making it almost impossible to repeal.

-  **Uncertainty for families**
-  **Lack of choice, access and quality**
-  **Loss of good doctors and providers**
-  **Fewer new jobs as businesses choose other states**
