

GENERAL AGENCY SERVICES IS OUR CORE

Manage every aspect of your clients' insurance needs with BenefitMall

Today, brokers are responsible for advising on a variety of employer services. With BenefitMall, General Agency services are at the core of what we offer. From quoting, through enrollment, and beyond, BenefitMall is with brokers every step of the way to help brokers free up their internal resources.

Let's explore BenefitMall's General Agency services:

- **Online Quoting & Side-by-Side Proposals** with our proprietary Client Ready Quote System
- **New Enrollments and Carrier Approval** with our new business teams
- **Post-enrollment Assistance** with our customer service team
- **Renewal Assistance** for all your renewing groups
- **Educational Services** to help make sense of carrier offerings and industry trends
- **Compliance Support** with webinars, intel, and resource guides

NEXT GENERATION BROKER SERVICES

When working with BenefitMall, you know you are backed by a leading team of experts who are ready to assist you.
