Manager's HR Helpline

MyHRConcierge Manager's HR Helpline allows you to free-up agency resources and reduce risk.

Many times, employers rely on you to provide them with HR advice. The Manager's HR Helpline will free you up from answering HR questions that you are either not qualified to answer or do not have the resources to answer.

The HR Helpline provides you with a reliable source that can provide expert HR advice to your clients and relieves you from the risk associated with answering HR questions.

What the HR Helpline Includes:

Instead of working with customers or coaching staff, many employers are frustrated and searching for the right answer for an urgent HR situation.

The HR Helpline will provide clients with easy to understand answers to their questions about:

- Families First Coronavirus Response Act (FFCRA)
- General federal and state HR compliance questions
- Harassment and discrimination
- Wage and hour compliance
- Excessive absenteeism
- COBRA, Family Medical Leave Act, Title VII, and other employment laws
- Industry best practices
- And much more!

Signing up is easy!
