Walmart Pharmacy Pickup Service in the U.S.

As a contingency during COVID-19, MediExcel Health Plan has established a temporary prescription drug refill program at participating Walmart Pharmacies in the U.S., for vulnerable populations within its membership.

The program gives members access to a limited formulary of 100 commonly used maintenance medications.

Members can call the **Doctor Line** at **(619) 365-4346**, and select **option 5** to determine eligibility.

Click below for more information.
